

ANIMAL SPONSORSHIP

You can play a role in wildlife conservation

A perfect way to mark your visit to Africa Alive! would be to sponsor an animal or purchase a sponsorship for that unusual gift.

Your visit today has already made a difference as we are not a registered charity. The fee for sponsoring an animal is based on a contribution to provide food, heating and enclosure maintenance, animal husbandry costs and any veterinary fees for your favourite animal. You will also be assisting ongoing conservation projects at Africa Alive!

You will receive:

- **Certificate of sponsorship** with photograph (*Sponsorship lasts for 12 months*)
- **Complimentary Park admission ticket**
- **Information** on your chosen animal
- **Your name included on a sign** located on the enclosure
- **Periodic 'Park News' Magazine**
