

BIRDS AND WORDS!

In the story about an “Ugly Duckling”, the ‘duckling’ grows to become a swan.

Following the clues, can you turn DUCK into SWAN by changing a letter at a time, making a new word each time?

1. In a competition, someone might wish you “Good _____!”
2. You do this to a door to stop it from being opened.
3. You wear this over your foot, but under your shoe!
4. To cover something (or someone!) in water.
5. In the bath or shower, use this to make bubbles!
6. To give a thing to a friend in exchange for something they have.
