

MYSTERY GUEST

Solve the clues and fill in the grid below, and the shaded squares will reveal an **Africa Alive!** resident.
 We've filled in one answer to help, but who is the 'mystery guest'?!

CLUES

1. This cheeky primate will eat all your bananas!
2. A bird of prey, and also a type of owl!
3. A female fox is called a...
4. This insect-eating animal is first...
...in the dictionary!
5. A type of African cattle with huge horns
6. The tallest animal - by a neck!
7. A reptile with no legs...
could be called "Monty"?!
